THE FRESHMEN SEND OFF: SUCCESS!

Jack '60 and Mary Herrick again hosted our annual **Freshmen Sendoff** at their home in Shaker Heights. It was especially well attended and we had a spectacular evening. You'll some pictures of the event, some of our newest class, current students doing a little campus 411, parents, alums, and a vintage car sporting a Dartmouth banner. Of particular note is a picture of a 17's front lawn. It seems that one of our members, with ties to the company that supplies the paint to NFL stadiums, promised this student that if he matriculated at Dartmouth his yard would look like a professionally painted football field. Promise kept!

[Speaking of **Jack Herrick**, in the latest issue of the Dartmouth Alumni Magazine there is a nice "give a rouse " for Jack on page 69. In case you missed it, Jack was recently inducted in the U.S. Squash Hall of Fame. Jack was president of the U.S. Squash Racquets Association and the U.S. Team Captain at the World Championships four times in the 1980's. In 1983, at the 45th World Masters in New Zealand, he became the first American to win a world singles title. Congratulations to Jack for this much-deserved honor.]

SATURDAY, SEPTEMBER 21, 2013 – DARTMOUTH FOOTBALL in the MIDWEST

The **Dartmouth** football team travels to **Indianapolis** to take on **Butler** in its first Midwest appearance in several decades. The Dartmouth Club Officer Association in conjunction with Friends of Dartmouth Football will host all alumni and friends at a tailgate party tent in the parking lot, **with complimentary food and drink**, starting two hours before the game (4:00 - 6:00 p.m.) and at halftime. Kick off is scheduled for 6:00 p.m. There are also class reunions scheduled and if you want to make a weekend holiday of it, everyone in town Friday night will be congregating at **Scotty's Brewhouse** in downtown Indianapolis.

SATURDAY, OCTOBER 12

There is a rumor that our Young Alums are building a Beer Pong table. They've researched official specifications, color, dimensions, resiliency, and moisture repellant paint and may be ready to showcase their product on Saturday October 12th. But as most construction projects go, there may be schedule delays, so we'll keep everyone up to date on their progress and make sure we've got our designated drivers lined up.

SATURDAY, NOVEMBER 9th - DARTMOUTH FOOTBALL VERSUS CORNELL

NBC Sports Network will broadcast the **Dartmouth v. Cornell** football game from Memorial Field on **Saturday November 9th beginning at 4:00 p.m.** Over the past several years many Ivy League games have been nationally broadcast on the NBC sports network and we've been fortunate view these contests with other area Ivy alumni clubs. They've been fun ,if not feisty, affairs. Stay tuned for the details.

SATURDAY, DECEMBER 7th - ANNUAL HOLIDAY BRUNCH

It's a little early to promote our annual holiday brunch, but we want you to save the date for this one. **The Nelson A. Rockefeller Center for Public Policy and the Social Sciences** Executive Director, **Andrew Samwick** will speak on "Rocky's" mission and its opportunities for our Dartmouth students. The Rockefeller Center " *seeks to educate, train, and inspire the next generation of public policy leaders in all fields of endeavor through multidisciplinary education, public lectures by visiting scholars and dignitaries, skills training, and public policy-oriented research across the social sciences. The Center seeks to connect experiences in and out of the classroom, on and off campus to reach this goal."*

One of its initiatives is the **First Year Fellows Program** which pairs about two dozen Dartmouth students who have excelled at the Center's introductory public policy course with Dartmouth alumni mentors in the public and non-profit sectors in the summer after their first years. Our **Maureen Mentrek '16** was a Fellow in Washington D.C. and will talk about her experience as a Rockefeller Fellow.

Look forward to seeing you all at a next event!

(And, of course…)
