On August 31, 1962, Dartmouth lost one of her finest sons and the Class of 1951, a loyal and enthusiastic classmate with a ready wit and a ready smile. ROBERT ANDERSON BOWLER perished in a private plane crash in the dunes near Portage, Ind., en route to Ohio on a business trip.

Born January 29, 1929 in Pittsburgh, Bob entered Dartmouth from New Trier High School in Winnetka, Ill. We shall remember him as the winner of a "D" for diving, a Sigma Chi, student manager of the Green Lantern and a first-year Tuck man.

Upon graduation, Bob headed for San Francisco, where he worked as a buyer at The Emporium. While there, he met and in 1953 married Virginia Jean Robinson, a 1950 graduate of the University of California at Berkeley. Bob later was a field representative for the California & Hawaiian Sugar Refining Corp., Ltd.

He returned to Illinois for C&H Sugar and then managed a supermarket for C. H. Morgan Grocery Co. in Evanston. In 1958, he became a sales representative for MacLean-Fogg Lock Nut Co. of Chicago, the position he held at his death.

Bob actively served both Class and College as an assistant Class Agent, an enrollment worker, a member of the Trustees' Planning Subcommittee on Alumni Relations. In addition, he was president of the Lake Forest-Lake Bluff (Ill.) Young Republican Club and active in the Episcopal Church.

Besides his wife Jean, Bob is survived by one son, William Geier II, and two daughters, Nancy Elizabeth and Kathryn Pamela. To them, the Class of 1951 extends sincere and heartfelt sympathy.

JOHN ALBERT MACLEAN III died August 31 in the crash of a private plane. John and three other executives, including Bob Bowler '51 were on a business trip in their Company's private plane when the mishap occurred in the Indiana Dunes, South of Lake Michigan. Three were killed instantly, the fourth was badly injured.

Born in Evanston, August 30, 1933, John came to Dartmouth from New Trier High School in Winnetka, Ill. As an undergraduate he was a member of Kappa Kappa Kappa fraternity, the Dartmouth Players, and the Army ROTC. After completing a tour with the U. S. Army Ordnance Corps, John returned to civilian life and married Joy Diane Pavlik on April 27, 1957. John was employed by the MacLean-Fogg Lock Nut Company and had recently been promoted to assistant to the president. He joined the company in 1955 as a production assistant. After his military tour he returned to that same position, and in 1959 was appointed secretary of the firm.

Since leaving Dartmouth, John has been active in community affairs, and has maintained his interest in the Army through active participation in the Army Reserve program. A younger brother, Barry Lee, was a member of the Class of 1960.

The Class of 1955 extends its deepest sympathy to Joy and to John's three children; John Albert IV, age 4, Marjorie Jane, age 3, and Robert Barker, born earlier this year. Those who knew John will remember him most for his love of family, his inventive mind, his high moral standards, and his kindly way with people.
