

Harry D. Kearing
Brackney, PA

Date of Death: 9/9/2005

Obituary in May 2006 issue of the Dartmouth Alumni Magazine

Harry D. Kearing, a member of our class until he left the College prior to graduation, died September 9, 2005. A resident of Brackney, PA, he is survived by his wife Diane.

We know that Harry prepared for Dartmouth at Lawrenceville, participated in swimming on campus and was a pre med major. He shared almost no information with the College after he left, only once writing on an alumni questionnaire that he enjoyed ice skating, skiing, restoring antique autos, had achieved his goal of practicing medicine and once held the rank of Major, service branch not identified.
