

FACES OF RECOVERY

WHEN PATIENTS ARE ADMITTED TO LAKESIDE MILAM RECOVERY CENTERS' RESIDENTIAL TREATMENT PROGRAM, A SIMPLE PICTURE IS TAKEN FOR IDENTIFICATION PURPOSES.

IN THE LAST WEEK OF THE 28 DAY PROGRAM THEY ARE OFFERED THE OPTION OF HAVING A MORE FORMAL PORTRAIT TAKEN, AND ARE GIVEN A PRINT OF EACH IMAGE TO TAKE WITH THEM.

THIS BOOK CONTAINS A SELECTION OF BEFORE AND AFTER IMAGES OF A NUMBER OF PATIENTS, AND IS PRESENTED AS DOCUMENTATION OF THE VISUAL ALTERATIONS THAT OCCUR DURING THE TREATMENT PROCESS. THE HOPE IS THAT THESE IMAGES WILL ASSIST PATIENTS IN RECOGNIZING THE POWER AND BENEFITS OF RECOVERY.

ADMISSION COLOR IMAGES BY VARIOUS STAFF MEMBERS.
BLACK AND WHITE PORTRAITS BY TERRY R ROGERS, M.D.
ALL IMAGES ARE COPYRIGHT PROTECTED.

I AM DEEPLY GRATEFUL TO THE LEADERSHIP, STAFF AND PATIENTS OF LAKESIDE MILAM RECOVERY CENTERS FOR THEIR SUPPORT OF AND PARTICIPATION IN THIS ONGOING PROJECT.
