Dear Ron,

Thank you so much for your recent generous gift, on behalf of the Class of 1961, adding to the Class of 1961 Robert Frost Endowment—Stephen W. Bosworth Award for International Affairs.

The Bosworth Award is such a meaningful way for us to recognize the students who fully take advantage of the Dickey Center and Dartmouth's international opportunities, and it is such a thoughtful way to remember Ambassador Bosworth. And it is a special way to connect members of your class with current Dartmouth students.

I was so very sorry to miss joining you and this year's Bosworth's Award recipients at your reunion. Connecting with classes such as yours is one of the highlights of my work at Dickey.

Many thanks again for your continued support of Dartmouth and the Dickey Center. I wish you and your family good health!

Sincerely,

Christianne C. Hardy, PhD  
Interim Director
