Dear Mr. Wybranowski,

Thank you to all the members of the Class of 1961 for the recent contributions to support the Legacy Fund. As in the past, when possible we will inform the next of kin of the gifts the class has made in memory of members who have passed in the last year. We are honored to be the recipient of these tributes.

The Class of 1961's continued commitment to the arts at Dartmouth means so much to all of us at the Hop. Once again, thank you.

Warm regards,

Mary Lou Aleskie
