

Tilden (Denny) S. Engelman

March 2016

Denny Engelman matriculated from Berkshire Prep and a home in Highland Park, IL. He missed coverage in the 1961 Aegis but subsequently was a member of the Tuck Class of '66. He lived in Middle Mass and made an early mark as a boisterous '61 with a ready wit.

At the time of our 50th Reunion he was living in Las Vegas where he died. It was noted that his profession was in Finance/Financial Services; his spouse was Gale Engelman. We learned of his death from his brother John, Dartmouth '68.
