

Jack Robert Oppenheim

Died: December 8, 2002

Jack died at the age of 62 on December 8, 2002, according to college records. No obituary or other information is available about where he died or the circumstances of his death.

Jack came to Dartmouth from Quogue, Long Island, and attended Mercersburg Academy. He was on the newspaper there, and the yearbook, and sang on the glee club. He was also on the debate team.

The Aegis reports only that Jack majored in Russian civilization, and nothing else.

Other than the information from the Green Book and the Aegis noted above, little is known about Jack's life or career after leaving Dartmouth. The 1986 Reunion Yearbook gives an address for him in County Cork, Ireland, and reunion publications in both 1996 and 2001 give an address for him in Chateau des Mespoulet in France.
