Dear ##First Name Preferred##:

Citation: Our class received a Citation at last week's virtual Volunteer Officer Experience (VOX) virtual conference. Click on the link below to see the citation. (Be sure to rotate the certificate and blame the typo on me, not the college.)

Zoom Connections and Etiquette

We will be using the same protocols used during the 60th Reunion. As before, we recommend that you check to see that you have the latest version of Zoom before the session. The latest Zoom version on October 20 is Version 5.8.1.

When you join a Zoom session the name associated with your image is usually your first and last name. Sometimes, people show up with something like “Sam’s iPad” or “Joe” so we may not know who you are. Please change by clicking “Participants” at the bottom of the screen. A list of participants will appear at the right of your screen. Click on “more” next to your name, click “rename” and make the change. Then hit “return.”

You may join the mini-reunion as early as 11:30 Eastern and join informal conversation with other early bird classmates. Using “gallery view” during the first ½ hour will allow you to see others who have signed in. When the formal program begins, we recommend you switch to “speaker view” so you’ll easily see the panelists and moderators.

When the session officially begins at Noon Eastern, all participants will be muted by the Host. Please stay muted throughout. If you wish to ask a question or make a comment, do not unmute yourself. Click on “Chat” at the bottom of the screen and send a message to “Everyone.” Type your question or comment and hit the “return” key.

If you have any technical issues, email, call or text **Harris McKee** at 479-619-7324.
