Women's Session and Breakout Grouups

Nyla Arslanian and **Patti Rich** met with '61 Women's Team members (Eileen DiSavino, Bonnie Gartner, Pani Kolb, and Susan Lynn) recently to discuss the upcoming gathering, and reported, "We are looking forward to gathering for another of our lively sessions. We're at a stage where life is subject to change without notice. We've "been there, done that" and changed the workplace. We may have slowed down a bit but we are still the vital center of our families. We've experienced loss and are adapting. Life is good and sometimes challenging as we face what's next. Bring your heart, your concerns and your stories to share. "

Anyone can join the Women's Session, and there are also breakout sessions, with people assigned according to their state of residence. Note: Couples who want to participate in a breakout session and the Women's Session will need to do so on separate devices. Each must be registered separately.
