## *Class of 1961 Special Recognition Award*

Presented to

**Roger W. McArt**

Rog, from starting second baseman on the Dartmouth baseball teams of 1958 through 1961 and a popular member of a typically naive graduating class in 1961 to an elder statesman within the now proficient and progressive Class of 1961, you have made a valuable contribution to the progress and growth of the Class during its passage over the past sixty-two years.

One of your teammates on the Dartmouth freshman through varsity baseball teams described you as the “steady Eddie on the baseball team”, a player who “made tough plays look easy and frequently got key hits that won key games against major competition.”

Over the decades you have always been, and continue to be, a highly valuable spoke in the Class of '61 management wheel. In past years, among other service contributions you have been a former Class President for a 5-year term and a major (50<sup>th</sup>) reunion, a former major '61 Reunion Chair, a former member of the Dartmouth Alumni Council, a current at-large long-term member of the Class of '61 executive committee, the first '61 Class Head Agent and a current co-Head Agent of the Class of '61 Dartmouth College Fund effort.

Rog, as a result of the aforementioned, the Class of 1961 has selected you to be a recipient of the *Class of 1961 Special Recognition Award*.
