

## **1977 CLASS NOTES**

### **January – February 2007**

Received an email from **Ellen (Sullivan) Sen.** Her twin daughters, Karen and Paula, are in the freshman class (2010) at Dartmouth. Ellen enjoyed meeting other legacies on campus, including Ben Young, son of **Suzanne Wiley Young '77**, Jason Lyon, son of **Jeffrey Lyon '77** and Katherine Crowe, daughter of Jeff Crowe, '78. Ellen observed that going back to campus as a Dartmouth parent is like falling in love all over again. According to Ellen “I spent a night on campus in one daughter's dorm room, in the Choates, waiting for her return from Freshman Trip, and indulged myself the next day by curling up with a good book in an overstuffed chair by a window overlooking the Green in the Baker Library Tower Room. Thirty years just melted away! “

On September 29, 2006, **Samuel Hoar, Jr.** became the President of the Vermont Bar Association (VBA). Since 1992, Sam Hoar has been a shareholder and director of Dinse, Knapp & McAndrew, P.C. a business and litigation law firm with offices in Burlington, Vermont and Plattsburgh, New York. After serving as VBA President-Elect last year, Hoar was installed as President at the VBA annual meeting in Killington, Vermont. Hoar plans during his term to renew the VBA's focus on professionalism.

See you at the 30<sup>th</sup> Reunion!
