When you register online or with the included registration form, there will be space for you to indicate your interest in participating in the following events.

Student Organization Mini-Reunions:

We want this reunion to be all about hanging out and remembering the best of our college experience. So, we recognize that upon returning to Hanover, members of campus organizations and teams may wish to come together for their own mini-reunions. We have built free time into the schedule to allow for these types of activities on Saturday afternoon from 5-6:30.

While your organization will be responsible for the details of your event, we are happy to assist in publicizing your mini-reunion, and in finding a location for your event. If we have your information by April 15, we will include your event on all of our published events schedules.

If your organization is interested in holding such an event, please choose one representative to indicate your interest on the reunion website or on their paper registration form here. The reunion committee will be in touch soon to gather details about your event.

Artists' Reception:

During this weekend we want to remember our illustrious past years at Dartmouth, but we also want to celebrate the best of what our classmates currently do. If you are an artist, writer, or performer, we'd like to highlight your work at this reception Saturday afternoon. Please indicate your interest in this event and your medium when you register.

Quechee Bus Trip

With the ease of an old yellow school bus, travel over to Quechee, Vermont. You can walk along Route 4 and shop for quaint keepsakes in the village. Antiques, arts and crafts, the Vermont Country Store, a toy museum and more are there to wander through. Then get yourself some lunch and walk down to the bridge to peer over the 162-foot gorge. There are trails to hike and the gorge Gift Shop to visit.

King Arthur Flour: Cooking Demonstration Class

King Arthur - Producing superior quality flour for over 100 years. Head on over to King Arthur Flour in Norwich, Vermont for a baking demonstration. Watch an expert in action without getting your own hands dirty and learn how to bake something tasty in your own kitchen by hanging out in theirs. You can even take a walk through their baker's store and pick up some supplies. Visit their website at: <http://www.kingarthurfLOUR.com>

More questions?

Upon arrival in Hanover, you will receive a registration packet complete with necessary details for every event. Visit the reunion website for the most up to date info or email class.of.1999@alum.dartmouth.org with questions.

Class of 1999 5th Reunion

The Best of Dartmouth

In the midst of winter around the country, it's hard to believe that in just a few months we'll be gathering in Hanover in shorts and sandals for our 5th reunion. At reunion, you will have the opportunity to recall and celebrate the best of Dartmouth. It will be so fun to catch up with friends, to revisit the Green, the Bema and Occom Pond, to check out the new library, and to slip into the Co-op to purchase a new version of your favorite Dartmouth t-shirt. And, of course, there is no better time to return to Hanover than when in the company of hundreds of other members of the Class of '99.

In this mailing, you will find information about reunion weekend and registration materials. The events schedule is packed with a variety of events, allowing each classmate to compile a record of his or her own "best of" Dartmouth experiences, be that stuffing yourself with EBA's breadsticks, dancing the night away to DJ Lou Fucci, a cooking class at King Arthur Flour, a dip in the Connecticut, class 'tails, or a hike up Moosilauke. Reunion has something in store for everyone!

Your registration fee includes all meals (Friday night dinner and late night snack, Saturday breakfast, lunch and dinner, and Sunday brunch), cocktails, entertainment, special 1999 Reunion souvenirs, in addition to scheduled tours, discussions, and activities throughout the weekend. Though we have included a paper mail registration form in this packet, we encourage you to register for the reunion on our reunion website at: www.dartmouth.org/classes/99/reunion. There you will also find more information about reunion activities.

Plan to join us for a spectacular time in Hanover, where we are sure to be reminded of what constitutes the best of Dartmouth--our fellow classmates. There will be ample opportunity to relax with friends, renew old acquaintances, and even kindle new friendships. See you June 18th!

When will most people arrive and when will activities start?

Most people will plan to arrive on Friday afternoon and leave Sunday early afternoon.

Where should I stay?

You will receive a separate mailing from the College about accommodations in dorms for reunion weekend. Our class will be assigned to Wheeler/Richardson. You may choose a roommate or a single room. Alums and their guests will be housed together unless otherwise specified. Housing is usually about \$45 a night per person. Linens are provided. How can you pass up the chance to live in a dorm again?

How can I sign up to go to Moosilauke?

You will also receive a separate mailing regarding day trips and overnights to Moosilauke. The DOC runs all these alumni trips. Transportation from Hanover to the Lodge will be provided.

How much will this weekend cost me?

Registration fees are \$165 per person before March 15, 2004, \$185 before May 15th, and \$205 after May 15th. This fee includes all meals, cocktails, and entertainment plus souvenirs. The registration cost does not include housing.

What is the dress for the weekend?

Activities are all casual but the Saturday night dinner and celebration might be a little fancier than the rest.

Can I go to (and pay for) some events and not others?

The class reunion is a package deal, and all events are covered in the registration fee (with the exception of a limited number of special events, such as the day trip to Moosilauke). Because we need to recover expenses and have overhead that extends beyond specific reunion events, we are unable to offer registration on a per-event basis.

If I can't come at the last minute, can I get a refund?

While we hope that classmates do not change their minds about attending reunion, we do understand that extenuating circumstances do sometimes arise that preclude attendance. We have therefore established the following refund policy: A \$10.00 processing fee per registration will be assessed for all cancellations. Full refunds (less the processing fee) will be granted for all cancellations made prior to May 15, and will be processed after the reunion. No refunds will be granted for cancellations after May 15, or for not attending the reunion.
