

# DARTMOUTH PROFESSIONAL SCHOOLS

Dartmouth's three Professional Schools are making time available for all alumni to learn more about each of the Schools. Indicated below are the various events which will be offered by the Thayer School of Engineering, the Dartmouth Medical School (DMS) and the Tuck School of Business Administration, for all alumni returning for their 5th through 60th Reunions. This is the perfect opportunity to learn about one of the dimensions of Dartmouth that helps to make it a unique and unparalleled center for learning, and we encourage you to participate.

Please select the programs you will be attending from the listing below, fill out and return this registration form to the appropriate School, including proper remittance. Please note that these charges are in addition to your undergraduate class reunion fee.
