GREAT ISSUES ON THE GREAT LAKES

For those who missed Dartmouth Hillel Rabbi Edward Boraz speak on “Project Preservation” last April, we have DVD copies of the students’ trip to Eastern Europe including their visit to Auschwitz and their service work preserving the Jewish cemeteries of this region. You’ll remember that the students examine the question of how the policy of genocide came to be adopted and implemented and its effect on a particular Jewish shtetl, or town. This town then becomes the focus of their restoration project. If you’d like to see the DVD, as they say, that could be arranged. Let me know, mheller@fodorco.com.
