

## **THE CLASS OF 2018**

Please welcome our newest Dartmouth students. These outstanding high school seniors will be matriculating this fall. Northeast Ohio well exceeded the Dartmouth percentages in acceptances and was decimal points below in matriculations (52.2 to 54.5%). There were 1,210 who accepted Dartmouth's offer to enroll, more than any previous year. This means that for the first time in seven years Dartmouth likely won't have to go to its wait list to fill a freshmen class.

There will be an opportunity to meet these students at our annual *Freshman Sendoff* in mid **August**. This event is one of the year's highlights. It brings together our alumni/ae, current students, and new students and families.

## CAREER CONNECTIONS [Mid JUNE]

We've talked about our outstanding students and their Dartmouth opportunities. In June we'll be hosting an event which will highlight your opportunity to engage a Dartmouth student one on one.

**Career Connections** is operated by the Athletic Department within the DP2 program. Several coaches and a representative from the Athletic Department will be in town to explain how you can become involved. It is one of their recruiting talking points on high school visitations.

The opportunities are threefold:

1. Mentor – a one on one relationship which allows the student to gain useful information about career choices, resume writing, interview techniques, and job opportunities.
2. Job Postings – actual job/career opportunities put forth by alumni/ae for their companies. This could be online, at Dartmouth, or a recruitment visitation in Hanover.
3. Regional Ambassadors - alumni/ae available to promote the region and provide insight on housing, arts, sports, restaurants, cultural activities, or simply stated, what it's really like to live in Northeast Ohio.

We're currently coordinating the details with Hanover and will pass them along as soon as they're available.

In the meantime, please let me know ([mheller@fodorco.com](mailto:mheller@fodorco.com)) if one of these areas interests you.
